Microsoft MS-DOS 2.11 (Leading Edge OEM) (5.25)
http://vetusware.com/download/Microsoft%20MS-DOS%202.11%20_Leading%20Edge%20OEM_
%20_5.25_/?id=12877
This is the Leading Edge OEM of MS-DOS 2.11 for their IBM PC Compatible line of computers.

Norton Utilities Advanced 4.5

Another copy of NU 4.5 Advanced Edition. I think this is the GOOD one. All files are original and
includes the tutorial files too.

The Ultimate 7.0
http://vetusware.com/download/The%20Ultimate%207.0/?id=12878
The Ultimate video store software! It's a POS system for tracking video store rentals. You can
read more about them from their defunct website:
