See details here: <http://www.sweger.com/ansiplus/ChangesV4.html#ANSIPLUS> Release 4.02

Was released 3/1995 I had this in my collection and saw it was a version you didn't have. It cannot be downloaded from author's website, which is still up and running 12/2016 with most current released version of 4.06 from 3/2007.
