Headstart (R) Menustruktuur en Software Well basicly, this contains everything you need on the C drive to install a Dutch Headstart LX CD. Copy the entire content of this CD to a bootable hard drive and voilà you've got the HOT menu system and everything.

Headstart LX CD Disc 2 Headstart(R) Software CD Part no.: 6047192-01 (NL)
https://vetusware.com/download/Headstart%20LX%20CD%20Disc%202%20Headstart_R_%20Software%20CD%20Part%20no._%206047192-01%20NL/?id=17042
Contains: PC Globe(R); CD Guide Optical Edition(tm); Games   The games are not localised for as far as I know, so the games are in English.

Headstart LX CD Disc 3 Microsoft(R) Software CD Part no.: 6047193-01 (NL)
