Arcsolo for Windows 95 2.0
https://vetusware.com/download/Arcsolo%20for%20Windows%2095%202.0/?id=17503
Cheyenne's Arcsolo for Windows 95/98/Me. Supports QIC tape and SCSI tape drives as long as
the correct drivers are installed. Reports 'Live Trial' but seems the full edition. Included are a heap
of software patches and updates.
