Magix Music Studio v2000 v2000

<https://vetusware.com/download/Magix%20Music%20Studio%20v2000%20v2000/?id=17762>

For those people who have been unsuccessfully looking for Magix Music Studio v2000 (Windows 95/98) to access old \*.SNG files created with the program. (Instructions in accompanying text file)
