AQUANOID 1.35
http://vetusware.com/download/AQUANOID%201.35/?id=14208
old windows 3.1 game from early 90's

BombSquad 1.0
http://vetusware.com/download/BombSquad%201.0/?id=14207
aim of the game is to diffuse the bomb before the timer runs out

Carmageddon II - Carpocalypse -
http://vetusware.com/download/Carmageddon%20II%20-%20Carpocalypse%20-/?id=14209
Carmageddon II Game for win9x

Natural Fawn Killers 1
http://vetusware.com/download/Natural%20Fawn%20Killers%201/?id=14204
a game which was given with the voodoo 5500 graphics card. in the game you run around and kill the animals before the timer runs out, you start with rabbits then at the end a dinosaur. unless you have an old 3dfx graphics card i would recommend running the software version rather than the hardware version.

Powerboat Racing 1
http://vetusware.com/download/Powerboat%20Racing%201/?id=14215

Quest for Hussain 1.0
http://vetusware.com/download/Quest%20for%20Hussain%201.0/?id=14210
old Quest for hussein game for win9x

The Magic Candle II
http://vetusware.com/download/The%20Magic%20Candle%20II/?id=14193
