SMC EtherEZ ISA LAN driver 3.1

<http://vetusware.com/download/SMC%20EtherEZ%20ISA%20LAN%20driver%203.1/?id=14582>

EtherEZ LAN driver for DOS/Win 3.11, Win 95, Win NT. This is a 3.5" disk image with drivers for the EtherEZ line of SMC NIC cards. It covers other SMC cards as well as the EtherEZ line, but can't remember exactly which ones. Worked great for me in Windows for Workgroups 3.11
