DFS 1.00 (DOS File System Library) for Euphoria 3.1.1 programmin 1.00

[https://vetusware.com/download/DFS%201.00%20\\_DOS%20File%20System%20Library\\_%20for%20Euphoria%203.1.1%20programmin%201.00/?id=16546](https://vetusware.com/download/DFS%201.00%20_DOS%20File%20System%20Library_%20for%20Euphoria%203.1.1%20programmin%201.00/?id=16546)

DOS File System Library (DFS) for the Euphoria 3.1.1 programming language. Includes elementary routines for drive, directory, file, volume label, parse path, absolute path, and critical error handler with full long file name (LFN) optional support.

Lib2 1.41 for Euphoria 3.1.1 Programming Language 1.41

<https://vetusware.com/download/Lib2%201.41%20for%20Euphoria%203.1.1%20Programming%20Language%201.41/?id=16545>

Lib2 1.41 is an excellent extended standard library for the Euphoria 3.1.1 programming language. Lib2 includes hundreds of additional elementary functions, for DOS, Linux, Windows and FreeBSD.
