Hello guys! I never have showed this to you guys before.  
It's my website!  
It is called Pocket Lint World. And, it's awesome!  
My blog, Song recommendations, Jokes, Polls and more!  
No sign up required. Made to look like an older website as well!  
It is at:  
Pocketlintworld.tk.  
Or pocketlintworld.x10host.com.

Enjoy! Have fun with it! Honestly one of my favourite websites, and my friend's too. :) 8)
