Black Widow 3.21
https://vetusware.com/download/Black%20Widow%203.21/?id=18195
A self-proclaimed "site-ripper", Black Widow uses a very easy to use interface, lists all the files at the site you mention, you check the ones you want and hit download. Easy to use and the only "site ripper" that would successfully pull in the site.

Dart Audio Pro 1.01
https://vetusware.com/download/Dart%20Audio%20Pro%201.01/?id=18199
DART is the best noise removal product on the market

FontFinder 32 1.0 (DE)
https://vetusware.com/download/FontFinder%2032%201.0%20DE/?id=18194
FontFinder 32 is a 32 bit utility that allows you to quickly and easily   view every font in your system displayed in its own typeface. It also   allows you to instantly display the font's entire character set and zoom   in on any character. You can print a list of every font in your system and print a sample sheet with multiple sizes of type for a sample of a   selected font.   FontFinder has a professional installation. Simply click on fontfinder.exe   and it will take you through the installation. FontFinder also has an   uninstall so removal is easy.

FTP Edit 2.01
https://vetusware.com/download/FTP%20Edit%202.01/?id=18193
FTPEdit opens up files on a remote computer running an FTP server and   lets you edit them in a streamlined interface. The program supports   multiple accounts and it provides an Explorer-like view for opening and   saving files.

PC Cillin 3.0
https://vetusware.com/download/PC%20Cillin%203.0/?id=18198
Yet another version of PC Cillin..yet this is different from the   others. This version let you detect and remove viruses while you work. It's that simple!Plus a new streamlined Smart Monitor!
