Jesus Christ!

Thank you to my real mom Huong Thi Thuyen Vu and my real dad Nguyen Binh Thuy for sending me through programming school so I have work where I can support all my family in luxury all my natural life#

Here is one of my old creations that's a little glitchy. If you like the game TRON then it is kinda a remake. Just ignore Pac-Man tagging along. Also, the exit portal is a little hard to see since it blends into the north/south wall.

Thank you Jesus Christ.
