Yow - Your Own World 1.5

<http://vetusware.com/download/Yow%20-%20Your%20Own%20World%201.5/?id=12951>

This kids game came bundled with new windows ME computer. It was a self updating offline game for kids. Original Description: Welcome to Your Own World (YOW), where kids ages 2 to 12 enjoy the best of the Internet offline. It's safe, fast, easy and always FREE of any charges. YOW brings your family games and educational activities from TIME For Kids, Sports Illustrated For Kids, Muppets.com, Kid Pix and many more. Kids never get bored with YOW, the software that changes every day, just like your kid.
