#### Dark Designs 1

<http://vetusware.com/download/Dark%20Designs%20I/?id=13516>

Dark Designs is a dungeon crawler RPG with multi-character party, and first-person perspective that shifts to top-down view in combat. Developed by the now famous John Carmack.

#### Dark Designs II 2

<http://vetusware.com/download/Dark%20Designs%20II%202/?id=13517>

Dark Designs is a dungeon crawler RPG with multi-character party, and first-person perspective that shifts to top-down view in combat. Developed by the now famous John Carmack.
