roguelike RPG

BeBattle 1.1

<http://vetusware.com/download/BeBattle%201.1/?id=13885>

BeBattle is a fun board strategy game.

BeBreakout 2.0

<http://vetusware.com/download/BeBreakout%202.0/?id=13886>

Quite simply, BeBreakout is a clone of Arkanoid, the hugely popular paddle & bricks arcade game. It's not a direct clone; it just uses the same idea.

Hammurabi 1.2

<http://vetusware.com/download/Hammurabi%201.2/?id=13887>

Hammurabi is a simple game where you are the king of a small middle eastern nation. The object is to obtain land so your people can be rich. If you kill too many people, they will revolt. Your reign lasts for twenty years.
