IBM OS2 1.30.x Extended Edition and 2.0 Service Pak Dec 1992

<http://vetusware.com/download/IBM%20OS2%201.30.x%20Extended%20Edition%20and%202.0%20Service%20Pak%20Dec%201992/?id=14030>

This CDROM contains both the OS/2 2.0 Service Pak (XR06055) and the OS/2 1.3x Extended Edition Service Pak (XR05100), as well as a series of fixes to allow OS/2 1.3x Extended Edition to be installed on the IBM PS/2 95xx and IBM PS/VP series of machines. Also included is the IBM C Set/2 compiler CSD 28.
