Citrix Multiuser 2.0

<http://vetusware.com/download/Citrix%20Multiuser%202.0/?id=14130>

This is Citrix Multiuser 2.0, based around OS/2 2.0. The big change is that this can run MS-DOS based applications, and includes DPML support so, yes you can run DOOM! Additionally Windows 3.0 in standard mode is supported.
