Chessmaster 2000 2.0

<http://vetusware.com/download/Chessmaster%202000%202.0/?id=14181>

The Chessmaster 2000, a really nice strategy game sold in 1986 for DOS, is available and ready to be played again! Also available on Amiga, Mac, Amstrad CPC, Apple II, Atari 8-bit, Atari ST and Commodore 64, time to play a chess video game title.
