Full Tilt! Pinball v2

<http://vetusware.com/download/Full%20Tilt%21%20Pinball%20v2/?id=14315>

Pinball video game developed by Cinematronics and published by Maxis in 1995. It featured pre-rendered 3D graphics and three tables: Space Cadet, Skulduggery, and Dragon's Keep. On each table, there were displays on the side which showed the players' score, ball number, player number, a display for various information and a table-specific image. This is the full version before the included within Windows XP by default.
