ALLWR

<http://vetusware.com/download/ALLWR/?id=14503>

A floppy disk I have since about 24 years ago. It's a compilation of 40+ Windows 3.x games including some classic ones like Boxworld, Rodent's Revenge and Bang Bang. ALLWR.EXE is a self-extraction executable, so just execute the file to extract all the games in the folder ALLWR.EXE is located.
