InstallShield 5.0 Professional (DEC Alpha Version) (5.00.225)

[http://vetusware.com/download/InstallShield%205.0%20Professional%20\\_DEC%20Alpha%20Version\\_%20\\_5.00.225\\_/?id=14585](http://vetusware.com/download/InstallShield%205.0%20Professional%20_DEC%20Alpha%20Version_%20_5.00.225_/?id=14585)

A version of Installshield for creating setup programs for Dec Alpha CPU based Windows NT. The program itself is x86-32.
