http://vetusware.com/download/StarWriter%20_Lite%20Version_%206.0/?id=14833

Vendex Head Start DOS 3.2 3.20

<http://vetusware.com/download/Vendex%20Head%20Start%20DOS%203.2%203.20/?id=14827>

These are the system disks of Vendex Head Start System Turbo-888-XT

Victor DOS 3.2 3.20

<http://vetusware.com/download/Victor%20DOS%203.2%203.20/?id=14828>

Victor Technology MS-DOS 3.2 + Diagnostics for V286 Computers. The OS itself and all the utilities are in *English* but they were distributed in France so there are a couple of LISEZ.MOI (READ.ME) files and AUTOEXEC.BAT outputs some text in French. At boot COMMAND executes a file CONFIG.BAT, if exists, after running AUTOEXEC.BAT.

Wyse DOS 3.21 3.21

<http://vetusware.com/download/Wyse%20DOS%203.21%203.21/?id=14826>

This is Wyse MS-DOS 3.21 OEM version
