Microsoft Office 95 7.0 (CN)

<http://vetusware.com/download/Microsoft%20Office%2095%207.0%20CN/?id=14906>

The Microsoft Office 95 (Version 7.0) chinese mandarin traditional. it only works on windows 95 chinese mandarin traditional. do not install this one on your emulator or your computer if you are the user of windows 95 chinese mandarin simplified or the others.
