MS-DOS 6.22 ISO (Best & Easiest) 6.22

[http://vetusware.com/download/MS-DOS%206.22%20ISO%20\\_Best%20\\_%20Easiest\\_%206.22/?id=15506](http://vetusware.com/download/MS-DOS%206.22%20ISO%20_Best%20_%20Easiest_%206.22/?id=15506)

This ISO starts with a menu created in the CONFIG.SYS & AUTOEXEC.BAT with these options 1. Run FDisk 2. Run Format 3. Setup MS-DOS 6.22 4. Setup MS-DOS 6.22 Supplemental Disc 5. Install CD-ROM & Mouse Driver I also modified the MS-DOS Editor (EDIT.COM) to show (\*.\*) when opening files and NOT (\*.TXT). MS-DOS Editor is version 2.0.026.

ROLEX 1

<http://vetusware.com/download/ROLEX%201/?id=15507>

This shows a Rolex watch with the time and date. Very nice
