Gravity Strike 1.02
 http://vetusware.com/download/Gravity%20Strike%201.02/?id=15703
This is an updated version of the Amiga 500 game Gravity Force written by a private developer.
The developer claims that it runs on all windows versions from 95 to ME. Note that the windows
version is reportedly buggy by the developer. Also, to run this version you will need the normal
version. Also, the dos version is reported to run in a Windows 95-ME terminal.

Service Pack para Windows 95 1.0 (PT)
