CRYSTAL 3D IMPACT 1.21

<http://vetusware.com/download/CRYSTAL%203D%20IMPACT%201.21/?id=16099>

A great and simple tool to create stunning 3d graphics:make web buttons, images, videos, presentations, and many other objects. Everything is simple and very easy to use. Make pictures worthy of 3dsmax with the simplicity of Photoshop.

Pagemaker 6.52
