TNT Dos Extender 6.0

<https://vetusware.com/download/TNT%20Dos%20Extender%206.0/?id=16708>

This is the Phar Lap TNT SDK I just bought which includes the RTK. The SN for the RTK is DE1-9481, and 1-26454 for the SDK. There was a read error on disk4, but the files copied fine.
