Q+E: The Database Editor 2.5

[https://vetusware.com/download/Q%2BE\\_%20The%20Database%20Editor%202.5/?id=16969](https://vetusware.com/download/Q%2BE_%20The%20Database%20Editor%202.5/?id=16969)

Q+E is a fully graphical database tool that gives the user a point and click interface for editing dBASE and Microsoft SQL databases. This version is for Windows 2.x and Windows 3.x
