AT Disk Format Utility 2.10

<https://vetusware.com/download/AT%20Disk%20Format%20Utility%202.10/?id=16974>

Western Digital AT Disk Format Utility

Comal 80 (English, Danish, Swedish)

[https://vetusware.com/download/Comal%2080%20\\_English\\_%20Danish\\_%20Swedish\\_/?id=16976](https://vetusware.com/download/Comal%2080%20_English_%20Danish_%20Swedish_/?id=16976)

COMAL (Common Algorithmic Language) is a computer programming language developed in Denmark by Børge R. Christensen and Benedict Løfstedt and originally released in 1975.

LIST 7.7a

<https://vetusware.com/download/LIST%207.7a/?id=16975>

A File Viewing and Browsing Utility

MemTest-86 v2.5

<https://vetusware.com/download/MemTest-86%20v2.5/?id=16977>

Memtest86 is thorough, stand alone memory test for i386 architecture systems. BIOS based memory tests are only a quick check and often miss failures that are detected by Memtest86.

The Buerg Utilities
