Midiman DMAN ISA sound card driver

<https://vetusware.com/download/Midiman%20DMAN%20ISA%20sound%20card%20driver/?id=17441>

This is the 2-disk DOS & Win3.1 driver for Midiman DMAN ISA sound card. The card has Crystal 4232 chip but regular 4232 based driver may not work with this card.
