Operation: Inner Space 1.09.13

https://vetusware.com/download/Operation_%20Inner%20Space%201.09.13/?id=17453

CD-ROM ISO (4H PROFI ROM MULTIMEDIA Germany) includes full game (german and english versions). Bonus: SCREEN SAVERS Inner Space works as a configurable screen saver so that a changing game demonstration can be your screen saving display. SHIP FACTORY With the Ship Factory, you can compare the characteristics of all the ships in the game and also make custom ships for use in Inner Space!
