Microsoft Office 2010

<https://vetusware.com/download/Microsoft%20Office%202010/?id=17799>

ISO image and Serial Numbers located in the *.zip file. Last version of MSOffice to be compatible with Windows XP, but be sure to have Service Pack3 installed if using an XP system. Tried and tested on a virtual Windows XP system with SP3, running on VirtualBox on a Windows 10 Host.
