art & letters Picture_Perfect v6.0

https://vetusware.com/download/art%20_%20letters%20Picture_Perfect%20v6.0/?id=17838

"Arts & letters," sometimes mistakenly referred to as "art & letters." I've listed it with the erroneous spelling so that it may be found. Installed and tested on a virtual Windows 98SE system running on VirtualBox under a Windows 10 Host. Should probably also work on genuine vintage systems running Win98. CD image *.iso found in the downloadable *.zip file. Also included in the *.zip file is the Serial/reg number; but it was not required/asked for during installation.
