uTorrent 2.2.1 Build 25302

<https://vetusware.com/download/uTorrent%202.2.1%20Build%2025302/?id=17957>

Includes help file in CHM format and multi-language pack. The installer is digitally signed and valid. Works on Win95-Win11. Last version before adware and bloat. AppleSeed 2023
