4th Dimension 1.0.1 for Macintosh

<https://vetusware.com/download/4th%20Dimension%201.0.1%20for%20Macintosh/?id=18008>

4th Dimension is a powerful and feature rich multi-user database for the Apple Macintosh. It features graphical creation of forms, reports, and graphs, a powerful programming language, and databases can be multi-user over AppleTalk networks.
