Pro Lightning Series NT Windows

<https://vetusware.com/download/Pro%20Lightning%20Series%20NT%20Windows/?id=18123>

Colorgraphic Communications Corporation      Pro Lightning V+      Pro Lightning V2

This diskette contains drivers for Windows 3.1, 3.11, Windows NT      3.5, 3.51, 4.0 and

Windows 95.      For installation information check the README files in each      subdirectory.

In the W31 directory are the drivers for Windows 3.1 and 3.11.      In the NT35 directory  
are the drivers for Windows NT 3.5 or 3.51.      In the W95 directory are the drivers for Windows

95.      In the NT4 directory are the drivers for Windows NT 4.0.      The Mover software is a

window placement utility for Windows, it is      not the multi-screen video driver.      The

MOVER16 directory contains the Window placement utility for      Windows 3.1, 3.11. Use the

INSTALL program for installation.      The MOVER32 directory contains the window placement

utility for      Windows 95 and Windows NT. Use the INSTALL program for installation.
