Macromedia Flash 4 (Pre-Activated) 4.0

https://vetusware.com/download/Macromedia%20Flash%204%20_Pre-Activated_%204.0/?id=18334

Popular tool for creating web animations and other forms of multimedia. Program is already activated after installation, so no key is ever required.

Macromedia Flash 5.0 Beta 5.0

<https://vetusware.com/download/Macromedia%20Flash%205.0%20Beta%205.0/?id=18335>

Beta version of Flash 5, very hard to find. Pre-cracked to circumvent serial and expiry date checks.
