Princess Maker 2 is a simulation-type parenting game in which the player experiences being the father of a daughter given to him from the stars, and raises her for eight years, from age 10 to 18. The daughter gains various experiences in the game and grows up to be an adult. Her dream is to become a princess, but depending on how she is raised, a thousand different futures await her. Now, what kind of dream will you weave with this daughter?.....
