MS Network Client Patch WG1049.EXE 3.0

<http://vetusware.com/download/MS%20Network%20Client%20Patch%20WG1049.EXE%203.0/?id=11788>

Expand the patch file to get NET.EXE file to replace the old one, the updated NET.EXE now has net share function to share files for MS-DOS client.

MS Workgroup MS-DOS Add-On "MSWGNC.EXE" 3.11

<http://vetusware.com/download/MS%20Workgroup%20MS-DOS%20Add-On%20MSWGNC.EXE%203.11/?id=11789>

Expand to get NETSHARE.EXE, this will provide MS-DOS Network Client with user interface for net share function.

MS Workgroup MS-DOS Add-On "NETSHARE.EXE" 3.11

<http://vetusware.com/download/MS%20Workgroup%20MS-DOS%20Add-On%20NETSHARE.EXE%203.11/?id=11790>

Run netshar.exe to get NETSHARE.EXE, this will provide MS-DOS Network Client with user interface for net share function.

PC Paint 1.0 1

<http://vetusware.com/download/PC%20Paint%201.0%201/?id=11787>

The original PCPaint executable is hard coded to only run with the provided mouse driver version. Use the modified file in the "VersionFix" folder.
