RegSnap 2.60.570

<http://vetusware.com/download/RegSnap%202.60.570/?id=11824>

Program for making Windows Registry "snapshots". Old company name - Soft4You. Now it's LastBit Software.

RegSnap 3.3.793 (portable)

http://vetusware.com/download/RegSnap%203.3.793%20_portable_/?id=11826

Program for making Windows Registry "snapshots".
