Foxpro 2.0 2.0

<http://vetusware.com/download/Foxpro%202.0%202.0/?id=11849>

Serial number and activation key are included in the zip.

PC Paint 3.1

<http://vetusware.com/download/PC%20Paint%203.1/?id=11846>

PC Paint is an MS-DOS image creation and editing program. Two disks are in the archive and may be copied to real or virtual floppies if needed for installation
