Interactive Girls Club

<http://vetusware.com/download/Interactive%20Girls%20Club/?id=14979>

Set of erotic point and click games all about getting beautiful women to undress for you.

Maelstrom 3.0.6

<http://vetusware.com/download/Maelstrom%203.0.6/?id=14982>

GPL port of the Macintosh game. It is a fast-action, high resolution (640x480) asteroids-like game, with detailed graphics and original sounds. (<https://www.libsdl.org/projects/Maelstrom/>)

OpenTTD 0.2.0

<http://vetusware.com/download/OpenTTD%200.2.0/?id=14981>

OpenTTD is a clone of "Transport Tycoon Deluxe", included are language files (De, En, It). Perhaps there stands only 2 lng. (En or It) to select in the options menu ... The 2nd package contains the minimal necessary original files from the Windows version, to be able to run the game.

Simutrans 102.0

<http://vetusware.com/download/Simutrans%20102.0/?id=14980>

This version needs installed Paksets for 102.0 --- <https://www.simutrans.com/en/paksets/> --- "pak64.ho-scale-latest.tar.gz", here provided, is the file to that the documentation refers explicit.
