#### AsEasyAs 2.05

<http://vetusware.com/download/AsEasyAs%202.05/?id=15035>

AsEasyAs is a POWERFUL spreadsheet (1024 rows x 256 cols) with a large set of menu command features. Graphics and Reports can be produced directly from information you input. Help menus describing math functions, macros, and special features may be accessed by pressing F1 from within the spreadsheet.

#### Disk-Count Software Auto Expenser 1987

<http://vetusware.com/download/Disk-Count%20Software%20Auto%20Expenser%201987/?id=15041>

The Auto Expenser program will track and calculate daily mileage and maintenance activity. Pertinent business and personal information for taxes is then calculated and listed at your command. Last date and mileage of each type of maintenance is stored for your reference. Totals for each type of maintenance is broken down automatically between business and personal. The program even produces a form to be kept in the automobile for logging information.

#### Disk-Count Software The Spreadsheet 1.01

<http://vetusware.com/download/Disk-Count%20Software%20The%20Spreadsheet%201.01/?id=15036>

Welcome to THE SPREADSHEET. This program is designed for the first time user with the capability for more advanced users. A spreadsheet is ideal for calculating any set of numbers that you normally would do by hand. Some of the uses are for preparing home budgets, calculating financial payments, tracking car expenses, and creating statistical models.

#### EGA Drivers for Lotus 123 1A and Symphony 1.0

<http://vetusware.com/download/EGA%20Drivers%20for%20Lotus%20123%201A%20and%20Symphony%201.0/?id=15037>

This is a set of drivers that adds EGA support to Lotus 1-2-3 1A and Symphony 1.0. See the README.EGA file for installation details.

#### Finance Manager 3.0 Evaluation Copy

<http://vetusware.com/download/Finance%20Manager%203.0%20Evaluation%20Copy/?id=15038>

Finance Manager is a personal/small business general ledger system for the IBM PC and PC/XT. This software is a menu driven double entry bookkeeping system which is suitable for personal or small business use. It is easy to use, but you must understand double entry (debits & credits) bookkeeping.

#### IBM Capital Accumulation Planner 3.0

<http://vetusware.com/download/IBM%20Capital%20Accumulation%20Planner%203.0/?id=15039>

IBM Internal Use Only This is the release of IBM's Capital Accumulation Planner diskette for

USA employees. The Capital Accumulation Planner will allow you to calculate and project your estimated capital accumulations, retirement income and survivors income. Each module will use data you supply in making the calculations. Much of the information can be found in your annual Personal Benefits Statement. Other data has been supplied by IBM or will come from your estimates and personal records.

#### The Direct Marketing Manager 1989

<http://vetusware.com/download/The%20Direct%20Marketing%20Manager%201989/?id=15040>

The Direct Marketing Manager is a rudimentary contact manager database. Appears to have been distributed as freeware.
