Dave's Flic Viewer 1.1.2

<http://vetusware.com/download/Daves%20Flic%20Viewer%201.1.2/?id=15270>

DOS-based viewer for Autodesk Animator files (.FLI, .FLC, etc.).

Super Munchers 1.0

<http://vetusware.com/download/Super%20Munchers%201.0/?id=15269>

Fun new addition to the "Munchers" series. The Muncher can become a "Super Muncher" and beat up the troggles. All kinds of trivia can be found in this educational game. This is the floppy version.

The Amazon Trail 1.0

<http://vetusware.com/download/The%20Amazon%20Trail%201.0/?id=15268>

Explore the Amazon Trail in this classic educational adventure! This is the floppy version.

VFD Video for DOS 1.3e

<http://vetusware.com/download/VFD%20Video%20for%20DOS%201.3e/?id=15271>

DOS command-line program to build .FLI, .FLC, and .AVI animation files from still images.
