Creative TVCoder 1.0

<http://vetusware.com/download/Creative%20TVCoder%201.0/?id=15821>

Creative TVCoder TVC-STD-01 Creative TVCoder is an internal 8-bit ISA card based on Philips SAA7199B Digital Video Encoder/Decoder. This card acts as an interface/buffer that picks the video signals from an existing VGA card and convert them to standard TV PAL/NTSC/S-Video formats. This diskette contains the MS-DOS drivers and Win 3.x utilities. Creative TVCoder CT6010 (TVC-STD-01) VGA/EGA to PAL/M/N/B, NTSC, S-video FCC ID: IBACT-VO
