Irre Katze 3.1 (DE)

<http://vetusware.com/download/Irre%20Katze%203.1%20DE/?id=15893>

(Part 3) After the cat found the way home and removed the havoc, it is hungry now ... (for Win 3.x / Win 9x / Win NT (SP3))

PolterKatze 4 (DE)

<http://vetusware.com/download/PolterKatze%204%20DE/?id=15890>

Part 1 in a series of puzzles around the cat that runs in Windows 3.x / Windows 95 / Windows NT. The program menu is in German. No language experiences needed for the game itself!

PolterKatze 5 (DE)

<http://vetusware.com/download/PolterKatze%205%20DE/?id=15891>

Show the cat the way home! There is no end in the game, you resolve one mission, a new one appears - the editor may help to keep that purpose.

SchiebeKatze 3.1 (DE)

<http://vetusware.com/download/SchiebeKatze%203.1%20DE/?id=15892>

(Part 2 after PolterKatze 5.1) Our cat is at home, but what a gust brought the chaos in the household? (for Win 3.x / Win 9x / Win NT)
