Free VI Text Editor 1.9

<http://vetusware.com/download/Free%20VI%20Text%20Editor%201.9/?id=16067>

Port of VI text editor to DOS. Very small memory footprint, work on DOS versions as low as 2.11 (have only tested DOS 2.11 to DOS 6.22, works on all.) Also works on 128k machines like the PCjr.
