clipper.lib 4.00

<http://vetusware.com/download/clipper.lib%204.00/?id=16313>

clipper.lib with 4:00 timestamp for Clipper S'87. Fixes the notorious "magic number" bug

PractiWord 1.09

<http://vetusware.com/download/PractiWord%201.09/?id=16314>

PractiWord is an easy to use word processor that works similarly to WordStar and integrates with PractiCorp's PractiBase database and PractiCalc III spreadsheet. It was lower cost than WordStar and was primarily targeted at home users and small businesses. Supports the IBM PCJr.
