Quake 2 Alpha AXP NT4 3.17

<https://vetusware.com/download/Quake%202%20Alpha%20AXP%20NT4%203.17/?id=16443>

Quake 2 For Alpha NT4 workstations, tested and includes data file, however will require an original Quake2 CD to run :) Runs great on a D10 466mhz with PCI Permedia2 graphics.
