OS/2 warp 3 server beta II 3.0 beta II

<https://vetusware.com/download/OS2%20warp%203%20server%20beta%20II%203.0%20beta%20II/?id=16490>

This is OS/2 warp 3.0 beta II server edition ripped from original CDROM. Create diskettes then boot on diskette0, follow instructions and insert warp 3 cdrom.
