TI Business-Pro MS-DOS 3.2

<https://vetusware.com/download/TI%20%20Business-Pro%20MS-DOS%203.2/?id=16863>

TI OEM MS-DOS intended for the Business-Pro. The Business-Pro was an AT compatible. It had a dual video card system for TI and CGA video. You could reboot the machine into either a TIPC compatible mode or an AT compatible mode. This MS-DOS version does NOT work on a TIPC.
